Global Green USA Coalition for Resource Recovery Fall Resource Recovery Conference

Please join Global Green USA for a two-day conference event in New York City

Fall Conference Topics

- CoRR's recycling pilot programs and how to get involved
- Sorting technologies for recycling paper & plastic packaging
- Food waste recovery technology design evaluation criteria, material handling, and lessons learned from the US and overseas
- Wholesale packaging pilot processes and lessons learned.

Please see following sheets for a detailed conference break down & ticket information

Speakers Include:

- **Andrew Bohner**
HDR Engineering
- **Dr. Sally Brown**
University of Washington
- **Joe Burke**
Action Environmental Group
- **Donald Chahbazzpour**
National Grid
- **Matt de la Houssaye**
Global Green USA
- **Tamsin Etefagh**
Envision Plastics
- **Bob Guarnaccia**
Royal Waste
- **Chris Gwilliam**
Pret A Manger
- **Adam Halsband**
Eisenmann AG
- **Dave Jarrett**
Clean River
- **Lily Kelly**
Global Green USA
- **Joel Kendrick**
Western Michigan University
- **David Lahaie**
Evergreen Recycling
- **John Lively**
Preserve
- **Gary Luce**
Terrabon
- **Patty Moore**
Moore Recycling
- **Chris Moyer**
National Restaurant Assoc.
- **Tom Outerbridge**
Sims Metal Management
- **Morton Orentlicher**
Thermo Energy Corporation
- **Daniel Rickenmann**
W2E Organic Power
- **Mike Schedler**
NAPCOR
- **David Scully**
Tully Environmental
- **Dr. Bryan Staley**
EREF
- **Robin Sweere**
Quest Recycling
- **Annie White**
Global Green USA
- **Alexander Wolf**
TITECH
- **Dr. Islem Yezza**
Cascades Specialty Products

Global Green USA 12th Annual Sustainable Design Awards

The Sustainable Design Awards help shine the light on great innovations and leaders working stem climate change. Global Green USA will feature the work of CoRR as well as honor CoRR member, Starbucks, with a Green Building Design Award. For more information on the design awards, please click [here](#).

Fall Resource Recovery Conference

*Achievements, Trends, and Next Steps in
Plastic, Paper, and Food Waste Recovery*

November 14th 2011
Paley Center
25 W 52nd St. New York, NY

Food Waste Recovery (Open Session)

12:00pm-5:00pm

Concurrent with Wholesale Packaging Session

CoRR's goal is to accelerate the development of a reliable, environmentally sound, and economical commercial food waste recovery infrastructure for New York City and serve as a prototype for other urban markets.

Topics include:

- Applying international technologies to NYC's market
- Design criteria for successful urban projects
- Opportunities for improved collection and material handling

November 15th, 2011
Lighthouse International
111 E. 59th, New York, NY

Foodservice Packaging (Open Session)

9:00am-5:00pm

CoRR's goal is for foodservice packaging to be recycled into valuable, high-quality materials. This conference will provide the latest trends and innovations in recycling paper and plastic foodservice packaging as well as how to get involved in CoRR's pilot programs designed to inform national recycling solutions.

Topics include:

- CoRR's recycling pilot programs and how to get involved
- Post-consumer paper and plastic packaging collection and end market development
- Recyclable coatings for paper foodservice packaging
- Sorting technologies for recycling paper & plastics packaging
- Update on NYC's plan to recycle all household rigid plastic packaging
- Fate of plastic packaging shipped overseas for recycling
- Model retail collection pilot programs for plastic packaging

Wholesale Packaging (Members Only)

2:00pm-4:00pm

Concurrent with Food Waste Session

CoRR's goal is to accelerate the development and commercialization of high-performing, cost-effective recyclable box solutions. CoRR members are welcome to join us for updates from our "Follow That Box" tour series, review of achievements and lessons learned from 2011 pilots, and to identify next steps for 2012.

Topics include:

- Wax alternative boxes: pilot processes and lessons learned
- Program priorities for 2012: Accelerating development and building demand for recyclable produce packaging

Global Green USA's Coalition for Resource Recovery
 Commercial Food Waste Recovery Conference
 November 14, 2011
 Paley Center for Media
CONFERENCE AGENDA

Monday Nov. 14th			
12:00-1:00pm	Lunch		
1:00 -1:25pm	Welcome & Program Overview Global Green USA		
1:30– 2:55pm	Industry Trends in Advanced Conversion Technologies, Collection, and Project Development Dr. Bryan Staley, EREF Adam Halsband, Eisenmann Daniel Rickenmann, W2E Organic Power Gary Luce, Terrabon David Lahaie, Evergreen Recycling	2:00-4:00pm	Wholesale Packaging Members' Working Session Wax alternative boxes: pilot processes and lessons learned Program priorities for 2012: Accelerating development and building demand for recyclable produce packaging <i>Roundtable Discussion</i>
2:55-3:15	--Break--		
3:15 – 3:45pm	Innovations in Collection & Material Handling: Local and National Outlook Bob Guarnaccia, Royal Waste Robin Sweere, Quest Recycling		
3:50 – 5:00pm	Composting, Co-digestion, and Fertilizer Production from Biosolids and Food Waste Dan Scully, Tully Environmental Morton Orentlicher, ThermoEnergy Corp Dr. Sally Brown, University of Washington Donald Chahbazpour, National Grid Andrew Bohner, HDR Engineering, Inc.		
Adjourned.			

Food Packaging Recovery Conference
Global Green USA's Coalition for Resource Recovery
November 15th 2011
Lighthouse International
AGENDA

Tues, November 15th	<i>Food Packaging Recovery Conference</i>
8:30 -9:00am	<i>Registration & Coffee</i> Registration will continue throughout the day
9:00 – 9:15am	<i>Welcome & Program Overview</i> Annie White, Director, Global Green's Coalition for Resource Recovery
9:20 – 10:20am	<i>Quick Service Restaurants: Demand for Recycling, Successes, and How to Get Involved</i> Joe Burke, Action Environmental Group Chris Gwilliam, Pret A Manger Joel Kendrick, Western Michigan University Tom Lembo, Clean River Chris Moyer, National Restaurant Association
10:20 – 10:40am	<i>--Break--</i>
10:40– 11:25am	<i>Recyclable Coatings for Paper Foodservice Packaging</i> Dr. Islem Yezza, Cascades Specialty Products
11:30 – 11:45am	<i>Synergies of Front-of-House and Back-of-House Resource Recovery</i> Dave Jarrett, CleanRiver
11:50 – 12:30pm	<i>Sorting Technologies for Paper and Rigid Plastic Food Packaging</i> Alexander Wolf, TiTech
12:30 – 1:30pm	<i>--Lunch--</i>
1:30 – 2:00pm	<i>Rigid Plastic Food Packaging Recycling & Composting Infrastructure</i> Tom Outerbridge, Sims Metal Management; Matt de la Housaye, Global Green USA
2:05 – 2:45pm	<i>Composition and Fate of Mixed Plastic Bales</i> Patty Moore, Moore Recycling Associates
2:45 – 3:05pm	<i>--Break--</i>
3:05 – 5:00pm	<i>Processing & End Market Development for Non-Bottle Grade PET, PP, and HDPE</i> John Lively, Preserve Products; Mike Schedler, NAPCOR; Tamsin Etefagh, Envision Plastics
5:00pm	<i>Adjourn</i>

Participants Include:

- Action Environmental Group*
- Ahold
- BASF*
- BioCycle
- Cargotec-Moffett
- Cascades Specialty Products
- Chemol*
- Chipotle
- Clean River*
- Columbia University
- Covanta Energy
- DBB Partners*
- Design and Source*
- Duro Bag*
- Earth Matter
- Entropex
- Eisenmann AG
- Environmental Research & Education Foundation
- Envision Plastics
- First Fiber*
- Gaia Strategies
- Green Bay Packaging*
- Green Sports Alliance
- GrowNYC
- Harvest Power
- HAVI Global Solutions*
- HDR
- IESI*
- Imerys*
- Interstate Container*
- LBP Manufacturing*
- Long Island Compost
- M&M Sanitation
- Manhattan Solid Waste Advisory Board
- MeadWestvaco
- Moore Recycling
- NAPCOR
- National Grid
- National Restaurant Association
- Natural Soil Products (NSP)
- NatureWorks
- New York City Business Integrity Commission (BIC)
- New York City Mayor's Office of Long Term Planning & Sustainability
- New York League of Conservation Voters
- Office of Manhattan Borough President
- OWS
- Preserve
- Pret A Manger*
- Quest Recycling
- RockTenn*
- Royal Waste
- Sims Metal Management
- Starbucks Coffee Company*
- Terrabon
- Terrapin Bright Green
- ThermoEnergy Corp.
- TITECH
- Tomra Systems
- Tully Environmental
- US Composting Council
- Vegware
- Wastequip
- WeCare Organics
- Western Queens Compost Initiative
- University of Washington
- Western Michigan University Coating and Recycling Pilot Plant*
- Woods End Laboratories
- W2E Organic Power

**Indicates a CoRR member*

Ticket and Conference Information

November 14th, 2011

November 15th, 2011

Food Waste Recovery Session

- Non CoRR Member: \$200 per person*
- CoRR Member & Gov't Agencies: \$50 per person

Foodservice Packaging Session

- Non CoRR Member: \$200 per person*
- CoRR Member & Gov't Agencies: \$50 per person

Wholesale Packaging Session

- CoRR members only: \$50 per person

*Non-CoRR members can attend both days for a reduced fee of \$350.

Sustainable Design Awards

- Non CoRR Member: \$500 per person
- CoRR Member: \$350 per person for first ticket.

NOTE: Non-Members are limited to two attendees per session. Members are limited to three.

To register for any of the conferences and for hotel information, please click [here](#).

Nov 8, 2011 is final day for conference registration.
